ORDER:

The Government accept the suggestions of the Director of Public Health that the minimum general educational qualification prescribed in the schedule to the general Rules for the Madras State and Subordinate Services, need not be insi ted on as a qualifications for recruitment to the post of Health Inspector and that the members of Public Health staff of local bodies who have put in a minimum service of five years may be allowed to apply for recruitment to the post of Health Inspectors even after they have exceeded the prescribed age-limit. The Government do not however, accept the suggestions of the Director of Public Health, that no upper age-limit need be prescribed for recruitment of Health Inspectors from among the Public Health personnel of local bodie: They have decided that an upper age-limit of forty five should be prescribed in the case of condidates who have put in a service of five years under local bodies, so as to preclude recruitment of candidates beyond that age.
